

BUG-TEK

ODOURLESS INSECTICIDE

- ✓ Odourless
- ✓ Water-based
- ✓ Non-Staining
- ✓ Does not contain alcohols, VOCs or Preservatives
- ✓ No sticky residue
- ✓ Non-flammable
- ✓ For Indoor / Outdoor

Bug-Tek is an odourless (in application and when dry) insecticide that is non-staining, non-flammable, water based, leaves no sticky residue and is for indoor and outdoor use. Unique formula kills insects and bugs including ants, ticks, cockroaches, silverfish, house flies and spiders. Application lasts approximately 4 to 6 weeks. Additional applications may be required if exposed directly to the weather. Ideal for use at home, cottage, RV, boat and on plants.

Guarantee: Permethrin 0.25%
