

RBV150

RBV 150NX

Backpack Battery Vacuum

The next generation cordless backpack designer with the ideal combination of RUNTIME, POWER, PERFORMANCE & PRICE. Equipped with our new NX300 36V Battery Technology and 350W digital brushless motor, the Latitude RBV 150 is engineered to deliver our most powerful cordless cleaning yet.

Key Features

- At only 15lbs., it is compact, comfortable and the lightest unit on the market
- 90 minutes of consistent & powerful cleaning performance
- 55 minutes on high power mode
- NX300 Li-ion Battery with greater than 2500 cycles
The equivalent of 10 years of daily use!
- New 350W digital brushless motor
- More powerful, more efficient, less maintenance and backed by a 5 YEAR WARRANTY.
- Noise level of only 63 dB(A) is excellent for daytime cleaning or cleaning occupied areas
- 6 qt. tank offers plenty of capacity
- Adjustable back support, waist and shoulder straps are designed to minimize operator fatigue
- Cordless operation eliminates accidents, such as tripping, commonly associated with power cords
- Specially designed floor tool supports "back and forth" or "side to side" cleaning
- Stainless steel telescopic wand is standard
