

TECHNICAL DATA SHEET

MICROFIBER DUSTER WITH HANDLE

Quick Connect flexible microfiber backing helps remove dust from hard to reach places.

The frame of the duster conforms to the shape of the surface to be cleaned for optimal surface contact. Easily cleans furniture, light fixtures, ceiling fans, and more. Thorough dusting is essential to prevent the spread of infections and maintain a clean environment.

Features and Benefits:

- Bends easily and conforms to irregular shapes to allow users to clean moldings, cabinet tops and more.
- Quick-Connect Handle allows our flexible wand to be used with any of our telescoping handles
- Washable 19" duster sleeve slides on and off for easy replacement
